MORE MESSAGES, MEMOS, AND MEMORANDA FROM YOUR MIXED-UP MARVEL MINIONS!

ITEM! Ordinarily, we don't like to give out Mysterious Hints about upcoming new Marvel titles! This time, though, we've gotta make an exception — 'cause the next month or so will see the dazzling debut of a wondrous new mag which we feel is gonna set all of fandom on its ear! It's called HERO FOR HIRE, and we don't want to go into detail about it now — we'd rather let you surmise and speculate for a while — but from where we sit, we figure it might just become one of the mightiest Marvel winners of all! 'Nuff said — for now!

ITEM! This might be just the spot to mention that Marvel's moonstruck romance mags, MY LOVE and OUR LOVE STORY, are featuring all-new art and stories again! All right, so that *doesn't* exactly make most of you superhero buffs dance for joy — but they feature some mind-boggling artwork by talented titans like COLAN, ROMITA, BUSCEMA, and others. Not to mention the fact that it might just grab ya to see what Smilin' STAN, Merry GERRY, and Groovy GARY (plus a couple of lasses like gal Friday HOLLI RESNICOFF and Roy's ever-lovin' wife JEANIE THOMAS) can do with the hearts and flowers bit. Give 'em a try, why dontcha? What can it hurt?

ITEM! Y'know, it just occurred to us that we haven't mentioned ACBA for a few issues — and that it's high time to remedy the situation! In case anybody's forgotten, ACBA stands for the Academy of Comic Book Arts, the recently-formed professional organization of comic-book art sts, writers, and associates. Well, the group is well into its second year already, and we just thought we'd clue you in as to who its hard-working officers are this time around. First off, there's DICK GIORDANO, president — aided and abetted by NEAL ADAMS, boy veep. MIMI GOLD and SAL AMENDOLA were tapped to serve as treasurer and secretary, respectively — and respectfully. And, last but not least (the way they tell it, anyway), there's a Board of Governors composed of ARCHIE GOODWIN, GIL KANE, ROY THOMAS, JOHN ROMITA, and Archie-Comics stafferVICTOR GORELIK. Incidentally, ACBA's just starting its big membership drive for 1972, and if you're interested in becoming a Supporting Member, just contact 'em at this address: ACADEMY OF COMIC BOOK ARTS, 509 Fifth Avenue, New York, N.Y. 10017. S.M.'s will receive a nifty new membership card, a sketchbook featuring all-new artwork done by fandom's favorites, and the more-or-less-monthly ACBA Newsletter Enclose a stamped, self addressed envelope for full details, okay?

MARVELOUS MINI-ITEMS! HERB TRIMPE just returned from a spectacular sojourn at various spas in Europe, where, among other things, he met a gal who used to be a secretary to the late lamented Beatles! Okay, Herb, so clue us in, huh — what's Ringo Starr really like?... Everybody notice on this month's checklist that Kull the Conqueror is back by popular demand, in the pages of the current fish of MONSTERS ON THE PROWL? At miraculous Marvel, old heroes never die — they just lie low for a while and then come on as strong as ever! . Hey, and how's *this* little bombshell for a closer: Big JOHN BUSCEMA and a peerless partner have opened up a new steakhouse called the Sunset Inn 'way out in Sayville, Long Island, N.Y. We hear the food is fit for a king — or even all-father Odin himself. Okay, B J., we gave you a plug — now we'll take those free steaks done medium rare, please! . . . Peace, people.

STAN LEE'S SOAPBOX

These brief, random thoughts are being written just a short time after the Attica State Prison tragedy. Now I've no intention of imposing my own opinions upon you about which side, which party or parties might have been right or wrong. Instead, I'd like to discuss the theory of "right or wrong" itself. Is it possible that too much harm, too much injustice has been caused in the name of "right" — in the pursuit of combating "wrong?" In every human conflict, isn't each disputant completely convinced that his particular cause is wholly "right" while the opposing viewpoint is totally "wrong"? And, armed with the sense of being "in the right," don't we dogmatically attempt to impose our own will upon those who hold different convictions? But, what if we had no such hang-ups about right and wrong? What if we remember that what's right for here may be wrong for there? In fact, what's right for you may be wrong for me — and what's right for today may be wrong for some other time. "Right" to a liberal is politically "wrong" to a conservative, just as "right" to a labor leader can be "wrong" to an industrialist, or "right" to a child can seem "wrong" to a parent. Yet, I wonder what life would be like if we weren't so preoccupied with proving ourselves right and the other guy wrong. I wonder if we might not find the peace, the understanding we all seek by striving to relate to each other, to sympathize with each other's problems, to reach out to those who may differ from ourselves and to realize that they too may be "right" in their own way, from their own point of reference. I wonder — mightn't it be worth a try?

Excelsior!

Stan
